Evaluating Current Approaches to Leadership

This book offers a comprehensive evaluation of current approaches to leadership from a discerning Christian perspective. Combining expertise in leadership, theology, and ministry, the authors take a historical look at leadership and how it is viewed and used in today's context. The book is informed by both biblical and leadership studies scholarship and interacts with a number of popular marketplace writings on leadership. It also evaluates exemplary role models of Christian leadership. The second edition has been updated and revised throughout.
