For any man that has been put off reading pregnancy books because he doesn't feel he was the intended audience or that something about the tone of these books was alien to him, yet he still has questions that need answers; then "The Blokes' Guide to: Pregnancy" is the book he's been looking for. As a father himself, Jon Smith realised, when his partner Lisa became pregnant that there was nothing out there that he could relate to. "The Bloke's Guide to Pregnancy" is the result.
